THE BULLETIN.

BEYOND THE MISSISSIPPI.

Thousands have already gone, and thousands more are turning their eyes towards new homes in the fertile West. To those going to Missouri, Kansas, Nebraska, Colorado, Utah, Wyoming, Nevada, Oregon or California, we recommend a cheap, safe, quick and direct route, via St. Louis, over the Missouri Pacific railroad, which runs its line day coaches and Pullman Sleepers from St. Louis to principle points in the West, without change. We believe that the Missouri Pacific railroad has the best track and the finest and safest equipment of any line west of the Mississippi, and its connections with roads further west are prompt and reliable. The Texas connection of this road is now completed, and passengers are offered a first class all-rail route from St. Louis to Texas, either over the Missouri, Kansas & Texas railroad, via Sedalia, or over the Atlantic & Pacific railroad, via Vinita. For maps, time tables, information as to rates, routes, etc., we refer our readers to S. H. Thompson, Eastern Passenger agent, Columbus, Ohio, or E. A. Ford, general passenger agent, St. Louis, Missouri. Questions will be cheerfully and promptly answered.

EMIGRATION TURNING.

CHATEL FARM IN SOUTH-WEST MISSOURI.
The Atlantic & Pacific Railroad Company offers 1,200,000 acres of land in Central and South-west Missouri, at from \$2 to \$15 per acre, on seven years time, with free transportation from St. Louis to all purchasers. Climate, soil, timber, mineral wealth, schools, churches and law-abiding society invite emigrants from all points to this land of fruits and flowers. For particulars address, A. Tuck, land commissioner, St. Louis Missouri. 2a

CAIRO, ILLINOIS.

IT IS NOT TRUE

THAT

DR. HULTZ

IS DEAD.

HE IS STILL LIVING AND IN CAIRO

His office and dispensary at

NO. 22 EIGHTH STREET.

Between Commercial and Washington avenues

It is true, the doctor is one of the oldest

physicians of the place, and his diploma,

that hangs in his office, shows that he has

been 22 years in the profession. He is doing

a larger office practice than any other phy-

sician, treating all kinds of chronic diseases

of the human system, such as old ulcers, and

all diseases of the skin, humors and blood

poisons; also diseases of the throat; also

all diseases of the eyes of years standing;

also artificial eyes inserted; Catarrhs cured

without the use of a knife; cancers cured

by the application of medicines; pimples on

the face removed; all urinary diseases

cured; all forms of venereal and private

diseases cured in the shortest time; neural

weakness and self-abuse cured in a short

time. It is self-evident that a physician treating

cases for twenty-two years acquires great

skill. All consultations confidential, in person

or by letter.

All medicines furnished at office in all

cases. [9-28 U.] DR. DAVID HULTZ.
